High-quality and value-driven – that's what IBM's new line of Replacement
Toner Cartridges for HP LaserJet Printers is all about

The products are exclusively manufactured and distributed in the UK.
All components and finished products are fully approved by IBM.

Production processes are ISO 9001 Certified. Cartridge page yields are declared in
accordance with ISO 19752 for monochrome and ISO 19798 for colour cartridges.

IBM and the IBM logo are registered trademarks of International Business Machines Corporation in the United States,
other countries or both. Other company, product or service names may be trademarks or service marks of others.
